

connect the dots

Connect the dots to see what's in the tree.

Scrambled Eggs

Mrs. Robin was babbling 4 nests. One matching egg fell out of each nest to the ground. Help her find the missing egg from each nest by drawing a line from the egg in the nest to the matching egg on the ground.

Baby Bird Search

Did you know some bird families have unique names for their young? Find the 10 names, listed below, hidden in the word search!
